

## PART – A

1. From the words given below, which word will come last in alphabetical order ?  
A) Regard                      B) Refer                      C) Remind                      D) Report

**Direction Q. 2 : A foreign expression and four English phrases are given. Identify the meaning of the foreign expression from the choices.**

2. via media  
A) Medium of instruction                      B) A mediator  
C) Bypass someone                      D) A middle course

**Direction Q. 3 : Identify the meaning of underlined word as used in the sentence, from among four alternatives.**

3. In our system of education, homework is imperative.  
A) unnecessary                      B) a handicap  
C) authorized                      D) compulsory

**Direction Q. 4 : An idiom and four possible meanings are given, identify the meaning of the idiom from among the answer choices.**

4. The bottom line  
A) the trick                      B) the most important factor  
C) the secret                      D) ignorance

**Direction Q. 5 : Fill in the blanks in the given sentence to make it logically and grammatically correct.**

5. \_\_\_\_\_ 15, Anthony left school and found a job in a factory.  
A) By                      B) At                      C) Since                      D) In

**Direction Q. 6 : A sentence is written in four different forms. Only one of them is grammatically correct. Choose the correct sentence as your answer.**

6. A) We don't have any money to spend on luxury things.  
B) We don't have any money to spend on luxuries.  
C) We don't have no money to spend on luxury things.  
D) We don't have any money to spend on things with luxury.

**Direction Q. 7 :** Four alternative substitutes are given for the underline portion. Identify the choice that replace the underline part to form a logical and grammatically correct statement.

7. I have come to Kashmir not to work but to enjoy.
- A) but to enjoy with the beautiful scenery
  - B) but to enjoy myself
  - C) but to enjoying the beautiful scenery
  - D) but to enjoy

**Direction Q. 8 :** A word and four jumbled choices are given. One of the choices, when properly arranged, give the meaning of the word. Identify the correct choice.

8. AIM
- A) NETIOTNIN
  - B) ETTILL
  - C) EATRX
  - D) PYAHP

**Direction Q. 9:** From the choices, select the most suitable synonym for the main word.

9. RECKON
- A) repose
  - B) confirm
  - C) understand
  - D) regain

**Direction Q. 10 :** From the choices, select the most suitable antonym for the main word.

10. REplete
- A) profuse
  - B) wanting
  - C) lavish
  - D) glutton

**Direction Q. 11 :** There is a certain relation between two given words on one side of : and one word is given on another side of :: while another word is to be found from the given alternatives, having the same relation with this word as the given pair has. Select the best alternative.

11. Car : Garage :: Aeroplane : ?
- A) Port
  - B) Depot
  - C) Hanger
  - D) Harbour

**Direction 12 :** There is a certain relation between two given numbers on one side of :: and one number is given on another side of :: while another number is to be found from the given alternatives, having the same relation with this number as the given pair has. Select the best alternative.

12. 121 : 12 :: 25 : ?
- A) 1
  - B) 2
  - C) 6
  - D) 7

**Direction Q. 13 :** In the given question, four words have been given, out of which three are alike in some manner and the fourth one is different. Choose out the odd one.

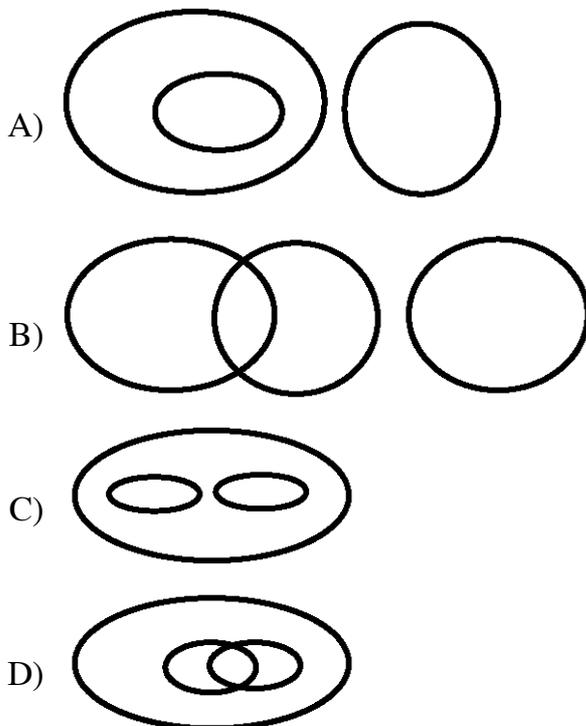

13. A) Apple                      B) Mango                      C) Potato                      D) Orange

**Direction Q. 14 :** In the given question, four numbers are given. Out of these, three are alike in a certain way but the rest one is different. Choose the one which is different from the rest three.

14. A) 15                      B) 21                      C) 24                      D) 28

**Direction Q. 15 :** In the given question, a number series is given with one term missing. Choose the correct alternative that will continue the same pattern.

15. 2, 5, 9, (...), 20, 27  
 A) 14                      B) 16                      C) 18                      D) 24
16. If in a certain language, FASHION is coded as FOIHSAN, how is PROBLEM coded in that code ?  
 A) ROBLEMP              B) PELBORM              C) PRBOELM              D) RPBOELM
17. Which of the following diagrams correctly represents Languages, French, German ?

18. If P denotes  $\div$ , Q denotes  $\times$ , R denotes  $+$  and S denotes  $-$ , then  
18 Q 12 P 4 R 5 S 6 = ?  
A) 36                      B) 53                      C) 59                      D) 65
19. If 76 is divided into four parts proportional to 7, 5, 3, 4, then the smallest part is  
A) 12                      B) 15                      C) 16                      D) 19
20. 36 men can complete a piece of work in 18 days. In how many days will 27 men complete the same work ?  
A) 12                      B) 18                      C) 22                      D) 24
21. ROM is composed of  
A) Magnetic Cores                      B) Microprocessors  
C) Photoelectric Cells                      D) Floppy Disks
22. ASTROSAT is  
A) Indian Mission to Moon                      B) Indian Mission to Jupiter  
C) Indian Space Observatory                      D) Indian Communication Satellite
23. The theme of the National Youth Day-2017 was  
A) Youth for change                      B) Youth for Sustainable Development  
C) Youth for Digital India                      D) Youth for Entrepreneurship
24. Kuchipudi is a dance originating from which of the following States ?  
A) Tamil Nadu                      B) Telangana                      C) Kerala                      D) Andhra Pradesh
